

Students are expected to look smart at all times and be appropriately dressed for work as per the Academy uniform expectations.

We believe strongly that wearing the correct uniform is part of being ready to learn, part of belonging to Excel Academy and part of promoting positive attitudes along with preparing students for the world of work.

Mobile Phone Rule - NEW

Below is the Academy policy relating to mobile phones, taking effect from Wednesday 5th September 2018

- The use of mobile phones and other technological devices (e.g. iPods, mp3 players etc.) are **banned** from Excel Academy and should not be seen or heard in the Academy AT ANY TIME between 8.15am – 3.05pm.
- Earphones should also not be seen at any time.
- The Academy strongly recommends that students do **not** bring mobile phones to school.
- The Academy does not accept any responsibility for lost, stolen or damaged mobile phones, and reminds parents that if they choose to allow their child to bring a mobile device to the Academy they do so at their own risk.
- There could be occasion, if a child has a mobile phone in their bag, that a teacher may give them permission to use it for educational purposes (eg during photography lessons), and this permission will be at the discretion of the member of staff.
- Should a student not meet the Mobile phone expectations then the 'mobile phone consequence system' will be followed (as published on the Academy website).

PE Lessons

When a student has PE lessons he/she is responsible for bringing their PE clothing.

If a student is excused from PE due to medical reasons, he/she must still bring their kit to the Academy in order to be an integral part of the group, regardless of their level of participation.
